June will be another busy month!

It is amazing how the summer sneaks up on us! The Fremont Jaycees are in full swing for summer events and June began with the Cancer Relay for Life event on June 3-4. Member Deanna was on the facility committee and worked hard and got little sleep! Emily, Danielle and Jenn S. as well as Deanna's family spent the night walking for a cure for the Fremont Jaycee team. Thanks all!

We are not having a food/drink booth at Concerts in the park, but look on page 2 for the schedule of events that have now moved to Thursdays in June.

Reza-world class illusionist-is coming back to Fremont and we are partnering with him again. Monday, June 20th, we could use some help getting him unloaded and loaded. Check out page 4 for more information.

Fremont is also hosting the River Region meeting on Saturday, June 25th. It will be held in the morning at Midland University and would love to have members attend to show your support.

We will forego our General Membership Meeting again this month and take you out to the ballgame! Sunday, June 26th we will plan to go as a group to Werner Park to watch the Stormchasers play. Jaycees will get free admission. Go to page 3 for more information.

Danielle has a new hayrack and so we will participate in 3 parades this year. Cedar Bluffs 125th celebration weekend of June 11, Dodge 125th celebration on July 3 and JCF days on July 10.

Hope to see you this summer!

Family Events

With DC Lynch Carnival, comes the rain!

The DC Lynch Carnival has come to Fremont with the Jaycees hosting them for the last 15 plus years. It is always the 1st carnival to come to the Fremont area and farmers have said they can count on the rain when the Jaycee carnival comes to town!

Our family night at the carnival on Wednesday, May 11th was put on hold as the rain came down earlier in the day. It was stormy enough to make a choice to postpone family night until the next evening. Some came on Wednesday and the rest came on Thursday. All said and done, we had 13 Fremont members with an additional 23 family members and one potential member and guest arrive and we handed out over 350 ride tickets! What a great event and benefit it is to be a member of the Fremont Jaycees!

The Fremont Jaycees are headed to the Ballpark!

Sunday, June 26, 2011 2:05pm game

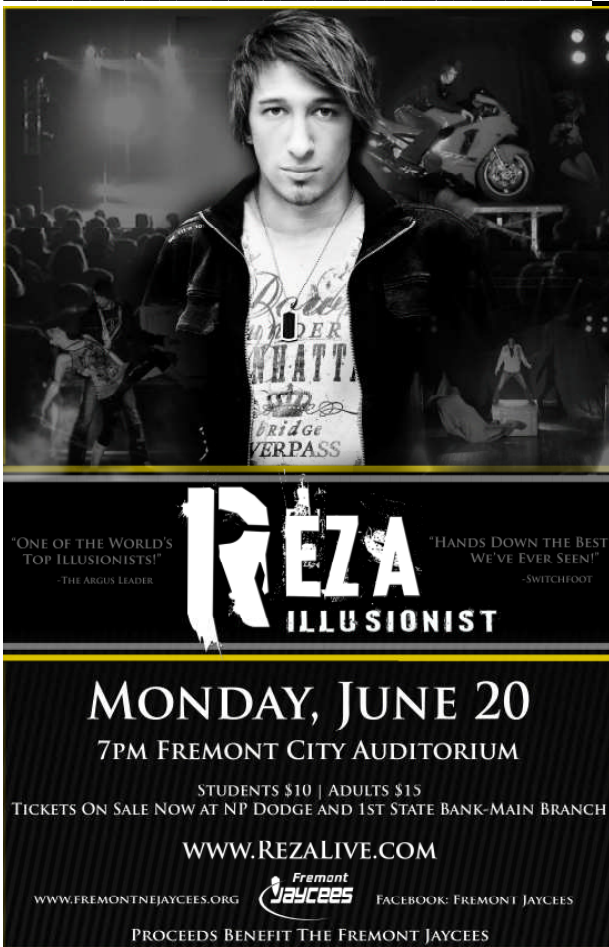

We are planning an outing for member, families and guests! An afternoon game at the new Werner Park on Hwy 370 is a good time for families to spend some time at the ball park. We will purchase tickets at the game for berm seating. Ticket prices are \$6.00 and Fremont Jaycee members will get their tickets free. Additional guests or family will pay for their own ticket. Kids 2 and under are free.

Activities at Werner Park include Bark in the Park—you can bring your dog for \$1.00! There is a family fun zone for kids, a mini diamond to run bases or hit a ball as well as basketball hoops. To check out the park or for more information visit: www.omahastormchasers.com.

Please contact Emily if you are interested in attending so we will look for you at the front gates or to schedule a ride from Fremont. This event is in place of our monthly GMM.

MEMBER EVENTS & FUNDRAISING

REZA is coming to Fremont for a 2nd appearance and the Fremont Jaycees are partnering up with him and his team again! We have two short weeks to get the word out and posters will be arriving soon for us to deliver. I will call you for some help—we have a lot to do! Below is our contractual responsibilities. It would be great if you can plan to help at some point during the day and evening. Please contact Emily at 402-720-1372 to let her know you can help!

You will truly be AMAZED at his talent!

Member Spotlight

Sarah Sullivan

General Member of the Fremont Jaycees since November 2005

My name is Sarah, and I have been a member of the Jaycees for many years, first being a part of the Tulsa chapter in Oklahoma. This is where I met my husband to be, Shane. We recently celebrated our 6 year anniversary. I have lived here in Fremont for 9 years and worked as a speech-language pathologist for 7 of those years.

I am now a stay at home mom to 3 beautiful kids- Sophia (4), Simon (2), and Sammy (1), with another baby arriving in October! Needless to say, I spend many days unshowered, no makeup, and hair up! I love my "job", my family, and wine (when I am not pregnant of course) and feel blessed a million times over.
