RTG Medical Beef are the 2011 Youth Football Champions

Another youth football season is about to close its books. October 30th, the RTG Beef and the All Metal's Market Lions played in the Championship Game in Wahoo. The team had not lost a game all season and we are proud of them as well as all the teams! *Don't they look great in those new Jaycee uniforms too!*

Thanks to all the coaches (35) that spent countless hours coaching and helping with the program.

We can't thank Football director, Danielle Schulz, enough for all of her work and perseverance with all the details of the program.

Thanks to concession manager, Deanna Kaup, for her hard work to manage the stand which has proven to be successful. Thanks to Jaycees, Oliver, Chris S, Emily, Chris H., Ashley and Danielle for their help with the stand as well.

SAVE THE DATE....Fremont Jaycee's 75th anniversary

September 2011 officially marked the Fremont Jaycee's 75th year as a chapter. Plans were tentatively made but needed to be changed to plan a great event. So...

The 75th Anniversary party has been postponed until Saturday, February 18, 2012 at the Fremont Golf Club. Sorry about any confusion we may have caused in the communication process when deciding to cancel the October 15th event.

More details to come about the party after the new year. If you have any names and addresses of past members, please forward them to Emily at 1866 Gaeth Ave, Fremont, NE 68025 or ewage89@gmail.com. We want to compile a great list of past members. We have many of the past Presidents, but not a complete list of members. We will also put together a slide show. Send any photos you care to share.

EMILY WAGEMAN

Member since August 2002
Current Management VP
Past President and Governor #432

I am proud to have been a member since 2002 even though it took a few years to get involved. It wasn't until at least 1 year later that I actually came to an event because Melissa Kreikemeier kept calling and calling me with all the fun activities going on. I was single and working a lot as the director of food services at Midland College. I knew that if I was going to get away from my hum-drum hectic work schedule that I had better take the opportunity to do something social. I am glad that I did. I made the decision to be active and enjoyed the social activities, the volunteer service activities, the sporting competitions with kids, the state conventions (1st place and most excited first timer and kubunga!) and even the meetings.

People and activities enter a person's life for certain reasons and the Jaycees was perfect for me at that time in my life. Marriage to Ward and having a 5 year old, Rachel, is really the center of my life at this time and priorities have changed. I continue to set up about 40 concession stands for Midland University as a Kiwanis member as well as being heavily involved with Milestones Ministry at Sinai Lutheran Church.

I will age out when my renewal comes in August 2012. After serving on the board as an Individual VP, State Director, President and now Management VP, I value what the Jaycees are trying to accomplish and how it is a never ending quest to promote service and volunteerism, support kid activities and develop members as individuals. I pray that that will continue to be a priority for the Fremont Jaycees. I thank the Jaycees for honoring me with a NE Jaycee Governorship in my Jaycee "career" and always supporting me. Thanks for the good times even though it isn't over quite yet!

Alice came to a fork in the road. "Which road do I take?" she asked. "Where do you want to go?" responded the Cheshire cat. "I don't know." Alice answered. "Then," said the cat, "it doesn't matter."

About Us

The Fremont Junior Chamber (Jaycees) gives young adults the tools they need to build the bridges of success for themselves in the areas of business development, management skills, individual training, community service, and international connections.

Established to provide opportunities for young men to develop personal and leadership skills through service to others, the Jaycees later expanded to include women, reflecting the growing influence and leadership of women in America.

Jaycees have been a force for good in America and around the world. Jaycees helped establish Airmail services in America with Jaycee Charles Lindbergh, and have raised millions of dollars for causes such as the American Cancer Society, March of Dimes, and for catastrophe relief efforts. They have built parks, playgrounds, hospitals, ball fields, and housing for the elderly while conducting service and support programs in thousands of communities nationwide.

Here at Home

The Fremont Jaycees have been developing young leaders in the Fremont Community since 1936.

Members of the Fremont Jaycees have many opportunities to achieve their goals and develop their skills. Whether you are interested in being a chapter officer, or simply working on a project committee, you will have the chance to learn skills ranging from marketing to personnel management and more! Every member has unique talents to offer, and we provide them the freedom to

contribute them in any way, from training other members, to creatively using them in programs and projects.

Programs that the Fremont Jaycees have offered include:

- ◆ Business Tours
- ◆ J.C. Fremont Parade
- ◆ Linden School Partnership
- ◆ Youth Sports competitions
- ◆ Networking
- ◆ Individual training
- ◆ Family projects
- ◆ State Convention training and fellowship

Opportunities

It's often who you know that matters and Jaycees are people who are connected. Serving as a Jaycee provides the opportunity to develop strong relationships with other Jaycees, who are often people of influence. Members of our organization have gone on to do great things and include:

- ◆ Presidents Gerald Ford and Bill Clinton
- ◆ Tom Monaghan - Domino's Pizza Mogul
- ◆ Kaye Lani Rae Rafko-Wilson – former Miss America and Registered Nurse
- ◆ Larry Bird – Basketball legend

The Fremont Jaycees are part of the Nebraska State Jaycees, and are affiliated with The United States Junior Chamber and Junior Chamber International. There are countless leadership opportunities for members at each of these levels. The state, national and international organizations support the local chapters around the globe, and provide training and tools to develop our members.
